INVITATION TO THE ONLINE TRAINING COURSE "EU Law for Insolvency Practitioners"

About the Training Course

The "EU Law for Insolvency Practitioners" is a free, self-paced online course conducted in English, hosted on the MOODLE learning platform and administered by the lead partner **Mykolas Romeris University, Lithuania**.

This training course aims to:

- **Enhance the capacity** of insolvency practitioners to apply European Union law effectively in their practice.
- **Raise awareness** of the opportunities EU law provides through practical examples.
- **Promote good practices** and participatory learning to improve cross-border insolvency proceedings.

The course is part of the **InsOLEUPro Project**, supporting targeted training to make EU law implementation efficient and accessible for insolvency professionals.

Who Should Attend?

We warmly invite **European insolvency practitioners** and other professionals involved in insolvency cases (e.g., lawyers, accountants, insolvency practitioner assistants) who wish to strengthen their understanding and application of EU law.

Course Highlights

- **Duration:** The course is open until the end of February 2025.
 - **15 Comprehensive Training Modules:** Covering essential topics (see detailed content below).
 - **Flexible Learning:** Self-paced activities for stress-free learning.
 - **Interactive Workshops:** Facilitated by experts, featuring real-world case studies and problem-solving sessions.
 - **Certificate of Completion:** Issued by **Mykolas Romeris University, Lithuania**, upon completing the course or selected modules.
 - **Language Accessibility:** Materials are designed for clarity, making the course suitable even for those with basic English proficiency.
 - **See detailed list of training modules below.**

Course Content

The training consists of **15 modules**, each requiring approximately two days of effort. Participants can complete the entire course (15 modules) to earn a certificate or select individual modules of interest.

Topics include:

1. Basics of EU insolvency law and practical applications.
2. Role of insolvency practitioners in restructuring proceedings.
3. Interim financing and transaction avoidance measures.
4. Handling essential contracts in insolvency.
5. Drafting and confirming restructuring plans.
6. Class formation and implementation in practice.
7. Employee protection in pre-insolvency situations.
8. Conversion of insolvency proceedings and work-outs.
9. Best interest of creditors test in practice.
10. Treating sanctioned enterprises in insolvency.
11. Insolvency practitioners' relationships with debtors and management.
12. Utilizing digital tools for insolvency practice.
13. GDPR application in insolvency practices.
14. Cross-border cooperation among insolvency practitioners.
15. Communication with stakeholders in international insolvency cases.

Each module includes:

- Introductory video.
- Main reading materials.
- Practical tasks and case studies.
- Final quiz for certification.

Participants will also have access to forums for discussions and sharing best practices, with regular updates from project experts.

Interactive Workshops

Workshops will be conducted online (via Zoom) and facilitated by two experts. These sessions will:

- Start with a presentation on a specific topic.
- Include practical examples and case-solving guidance.

Dates will be announced in advance.

Certificate of Completion

Participants who meet the course requirements—progression through modules and quiz scores—will receive a **Training Certificate** automatically generated by the MOODLE platform.
